

# AMA Group Practice Membership Program

The AMA has developed a new membership program for physicians in group practices. This fact sheet provides you with a sampling of the many valuable products and services available to physicians practicing in groups.

When you join the AMA, you and fellow physician members create one strong, national voice. Together we transform our passion for medicine into meaningful action on behalf of our patients and our profession.

## Value of AMA Membership to your Group

### AMA's Practice Management Center (PMC)

- Assistance with fair contracting with payers, reducing practice costs, establishing and updating fee schedules, and managing your data and profile
- Resources and tools to support efficient claims processing and fair and accurate claims payments

### AMA books, products and services

- Dedicated account manager to provide personalized service for AMA Books & Products, plus membership in the AMA's *Premier Club*
- CPT® coding resources including 6 free CPT inquiries for each physician-per year
- Physician profiles to support credentialing verification
- Group purchase program on medical and surgical supplies
- Financial service banking products

### AMA Insurance products designed for groups

- Physicians Life Income Plan<sup>SM</sup> (supplemental retirement program, like a Roth IRA for physicians)
- Complimentary evaluation of your group's employee benefit plan by Tesco Benefits LLC to explore ways to save your group money and assess whether your group plan is in compliance with applicable laws

### AMA Group Practice Services

- Regular AMA advocacy updates
- Opportunities to participate in key advocacy campaigns that affect group practice
- Representation in the AMA through the Advisory Committee on Group Practice Physicians
- Invitations to representatives of member groups to AMA-sponsored legislative meetings in Washington, D.C.

### Other valuable AMA benefits
