

AFFORDABLE ELECTRONIC MEDICAL RECORDS (EMR) AND HEALTHCARE IT FINANCING.

Expect it.

We listen to your needs

At Webster, we realize that converting to EMR or upgrading to other healthcare IT solutions for your practice can be expensive. That's why we've created a financing package especially tailored to help meet the complete banking relationship needs of our healthcare clients.

- Comprehensive
- Flexible
- Cost-effective

We create a solution just for you

Here's why Webster's EMR and other healthcare IT financing packages could be the best option for your practice:*

- Check access revolving line of credit up to \$500,000 to finance EMR hardware, software, training costs and healthcare IT solutions
- Interest-only for up to a one-year period at competitive rates
- Outstanding line of credit balance will convert at the end of the Interest-only period to a term loan for up to 5 years
- Up to 100% financing available

HEALTHCARE FINANCIAL SERVICES

* All credit products, pricing and overdraft protection are subject to the normal credit approval process. Some applications may require further consideration and/or supplemental information. Certain terms and conditions may apply. SBA guaranteed products may also be subject to additional terms, conditions and fees. All loans/lines of credit require a Webster business checking account which must be opened prior to loan closing and which must be used for auto-deduct of payment.
