RIMS Neuroscience and Society Lecture Series

PROVIDENCE – New York University Professor Paul Glimcher, author of several books on neuroeconomics, will be speaking at Brown University on March 4.

The talk concludes the Rhode Island Medical Society’s 2012 Bicentennial lecture series, developed by RIMS’ Bicentennial committee chaired by the Society’s president, Diane Siedlecki, MD, and its symposium subcommittee, chaired by Herbert Rakatansky, MD.

The series is co-sponsored by the Brown Institute for Brain Science and the Norman Prince Neurosciences Institute. The lectures are open to the public.

NEW Share your thoughts on RIMS “Communities” online forum

Members can now share their views on a variety of topics with their colleagues and RIMS staff. The RIMS website offers an exclusive, password-protected Member Portal with access to many convenient features and an online “Communities” forum. This is a unique opportunity to express your opinions with RIMS leadership who work to advocate on behalf of Rhode Island physicians and patients.
