Signs, Symptoms and Questions Related to Diagnostic Imaging and Interventional Radiology

September 25, 2013, 12–5 pm
The Providence Marriott, Providence RI

Ordering the correct imaging studies to address various clinical signs and symptoms in an efficient and cost effective manner is complicated and is in constant flux based on newly published data and emerging technologies. This half day educational event reviews current appropriate imaging work up to address common clinical signs and symptoms encountered in the out-patient primary care setting. Clinicians will leave with new knowledge and resources to help diagnose and treat their patients with complicated but common medical problems.

Registration deadline for Israeli Trade Mission led by Dr. Fine

Deadline: Sept. 27, 2013 Trip dates: Nov. 8–16, 2013
Dr. Michael Fine, director of the Rhode Island Department of Health, will lead a trade mission to Israel Nov. 8-16, geared to physicians, CEOs, research and development executives, leaders in the healthcare and life science industries, and university and hospital officials. The trip will include visits to medical, biomedical and pharmaceutical facilities, medical schools, life science incubators and EMS facilities.

Participants will also meet with industry leaders and government officials from the Ministry of Health, Industry and Trade Labor, and Office of the Chief Scientist to explore collaborative research and business opportunities.

For more information or to register, contact Katherine Therieau (278-9100, ext. 139 or ktherieau@riedc.com), director of international trade for the R.I. Economic Development Corporation.

OCTOBER

Pediatric Global Health Conference – Focus on Haiti: Building Local Capacities through Sustainable Partnerships

Saturday, Oct. 12, 2013 (all day)
Alpert Medical School of Brown University
222 Richmond Street

This regional CME event for physicians, clinicians, nurses, allied professionals, residents and students is hosted by the Brown University Global Health Initiative and Hasbro Children’s Hospital. The conference will include a keynote address, lectures, panel discussions, and breakout sessions centered on significant pediatric global health issues including: building and sustaining international partnerships, millennium development goals, and the art of medicine in developing countries, with many of the breakout sessions focused specifically on Haiti.

Hasbro Children’s Hospital is part of the St. Damien Collaborative to Improve Pediatrics in Haiti (SCIPhi) a new consortium of six US-based Children’s Hospitals dedicated to building capacity for pediatric care in Haiti at St. Damien Hospital for sick children. St. Damien is the premier pediatric hospital in Haiti, providing services free of charge, and is funded through donations from benefactors all over the world, primarily in Europe and the United States.

The conference will culminate in an evening benefit that will support both The Haitian Project and St. Damien Pediatric Hospital. Conference Brochure

Keynote speakers

Dr. Linda Arnold, current chairperson of the American Academy of Pediatrics Section on International Child Health, and Associate Professor of Pediatrics (Emergency Medicine) at Yale University, CT.

Dr. Jean Hugues Henriy, Dean of the University of Notre Dame d’Haiti, Faculty of Medicine and Health Sciences, Port-au-Prince, Haiti.

**October**

**Bridging Neurology & Psychiatry: Movement Disorders**

Saturday, October 12, 2013  
The Joseph B. Martin Conference Center at Harvard Medical School  
Boston, Massachusetts

This full day course is aimed at reviewing the interface between neurology and psychiatry to enhance the clinician’s ability to recognize and classify movement disorders in psychiatric patients and psychiatric problems in movement disorder patients. Behavior problems are the major determinants of quality of life in Parkinson’s disease yet they are often not recognized. Similarly, movement disorders caused by antipsychotics frequently go unrecognized.

World renowned experts in movement and psychiatric disorders will review drug-induced movement disorders, psychogenic movement disorders and movement disorders associated with primary psychiatric disorders.

**Rhode Island Medical Women’s Association Meeting**

Monday, Oct. 21, 2013  
Registration: 6–6:30 pm  
Presentation & Dinner: 7 pm  
Chapel Grille, 3000 Chapel Vew Blvd., Cranston

**Topic:** Professional Development  
**Speaker** Terrie Fox Wetle, MS, PhD  
Dean, Brown School of Public Health

**Cost:** Students, residents: $30; RIMWA members: $40; non-members/guests: $40  
For more information, to register: Jane Coutu, 401-528-3288

**1st International Carpometacarpal Workshop (ICMCW)**

October 25–26, 2013  
Hotel Viking, Newport, RI

**Keynote Lectures**

**Matt Tocheri PhD**, Smithsonian National Museum of Natural History, Washington, DC  
Dr. Tocheri is a paleoanthropologist whose research interests focus on the evolutionary history and functional morphology of the human and great ape family, the Hominidae. His work on the wrist of Homo floresiensis, the so-called ‘hobbits’ of human evolution, received worldwide attention after it was published in 2007 in the journal *Science*.

**David Felson MD, MPH**, Boston University, Boston MA  
Dr. Felson is a Professor of Medicine and Public Health, and Principal Investigator of the NIH-funded Boston University Multipurpose Arthritis and Musculoskeletal Diseases Center and the Boston University Multidisciplinary Research Center. An expert on the epidemiology and pathophysiology of osteoarthritis, Dr. Felson has led numerous large cohort studies in osteoarthritis, with the goal of elucidating risk factors for the disease, as well as its natural history.

**Meeting Chairs**  
J.J. Trey Crisco, PhD  
Amy L. Ladd, MD  
Arnold-Peter C. Weiss, MD
