Thanks to RIMJ’s Guest Editors, Contributors of 2019
As the Rhode Island Medical Journal (RIMJ) ends its 102nd year in publication, we would like to thank the Journal’s guest editors of 2019. RIMJ’s mission, to report on innovations, initiatives and advances in medicine and healthcare in Rhode Island, could not be accomplished without the commitment and hard work of its guest editors and contributors throughout the year.

These sections and past issues of RIMJ can be viewed in the Journal’s archives at http://www.rimed.org/rimedicaljournal-archives.asp.
