

# URGENT RESOURCES FOR URGENT TIMES.

In a pandemic, speed and access to information and resources are vital.

Knowledge saves time, and you need all the time you can get to save lives. Introducing the **COVID-19 Resource Center**. Right here, right now, for you.

On our website, you'll find the latest information and resources for important topics like:

- Telemedicine: including best practices and plain language consent forms
- Links to infectious disease prevention guidance
- Education and resources for healthcare providers on the front lines

You can access Coverys' industry-leading Risk Management & Patient Safety services, videos, and staff training at [coverys.com](https://coverys.com).

All in one place, for our policyholders as well as for all healthcare providers.

Thank you. For all that you are doing. You are our heroes, and we are here if you need us.
