

## We are read everywhere

In 2020 to date, approximately **12,500** readers from more than **110** countries have read articles in the *Rhode Island Medical Journal* (RIMJ) or researched its archives. More than **6,700** others have accessed full-text pdfs via the PubMed Linkout feature.

### Top 10 countries

1. US
2. UK
3. Australia
4. Canada
5. Germany
6. India
7. China
8. Spain
9. Italy
10. Japan

### NARRAGANSETT, RHODE ISLAND

**Sarah Stevens**, RIMS Office Manager, adheres to best social distance practices at Scarborough Beach while checking RIMJ on her phone. Sarah, who started at RIMS in May 1996, has been an indispensable member of the team, working with the leadership, membership, and specialty societies, and as a valuable liaison to the journal for the past eight years. She retired on August 31. Best wishes to Sarah in all her future endeavors.
