

Bradley Hospital's
**Mindcast: Healthy
Mind, Healthy Child,**
is America's only free
podcast produced by
a children's psychiatric
hospital, focused on
children's mental health.

Mindcast: Healthy Mind, Healthy Child

Listen to Bradley's
mental health experts
on our podcast;
on your time, any time.

Our expert clinicians, who work with kids and families every day, share their expertise, insight, and advice in each podcast, covering topics that are more relevant than ever, from teen depression, to processing grief and loss, to anxiety in youngsters and all things mental health.

Hosted by:

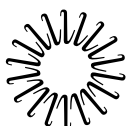

Anne S. Walters, PhD, ABPP, clinical director, Children's Partial Hospital Program

Gregory K. Fritz, MD, former academic director of Bradley Hospital and director of the Bradley Hasbro Children's Research Center, and former president of the American Academy of Child and Adolescent Psychiatry (AACAP).
