

Sexual Health is Essential to Healthy Living

*Your sexual health is at the center of your life.
If it's not working, you're not living life to your fullest.*

The Men's Health Center at The Miriam Hospital is the first of its kind multidisciplinary center dedicated to restoring normal sexual function and improving overall health. Our staff includes experts in andrology and male sexual dysfunction, and we are the highest volume center for surgical treatment of erectile dysfunction in Rhode Island.

The Men's Health Center is home to the Male Reproductive Medicine and Surgery fellowship of The Warren Alpert School of Medicine at Brown University and is training the next generation of experts in the field of men's health.

We provide specialized care for men who have issues with sexual performance and provide expert care for sexual dysfunction, including:

- Erectile dysfunction (ED)
- Testosterone therapy
- Peyronie's disease
- Premature ejaculation
- Sexual dysfunction after prostate surgery
- Gender dysphoria
- Klinefelter syndrome
- Low sexual desire

The Miriam Hospital
Lifespan. Delivering health with care.®
